

Exchange of Experience I Programme

EMBL Heidelberg, ATC Courtyard Room A & B

Wednesday, June 8th 2016

11:00 – 12:30	3rd GBI Management Board Meeting (upon invitation) : Separate Agenda
---------------	--

12:30 – 14:00 Registration 14:00 – 14:15 Welcome (Jan Ellenberg, EMBL, Germany & John Eriksson, ÅBO Akademi, Finland) 14:15 – 14:45 Keynote Speech - Global Research Infrastructures from an Australian perspective (Miles Apperley, ANSTO, Australia) 14:45 – 15:15 Keynote Speech - Building Research Infrastructures in Europe and beyond - State-of-the-art and lessons learnt from ELIXIR (Janet Thornton, EMBL-EBI, UK) 15:15 – 15:45 Keynote Speech - Case Study I: Open Science - Advanced Imaging Centre (Teng-Leong Chew, Janelia Research Campus of the HHMI, USA) 15:45 – 16:30 Coffee Break 16:30 – 17:00 Euro-Biolmaging Preparatory Phase II - Implementation of Open Access to Imaging in Europe (Jan Ellenberg, EMBL, Germany) 17:00 – 17:30 Keynote Speech - France Biolmaging, from a network of Core Facilities to a National Distributed Infrastructure in Biolmaging (Jean Salamero, Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France) 17:30 – 18:00 Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-Biolmaging Node (Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic) 18:00 – 18:30 Global Biolmaging: the project and its goals (Antje Keppler, EMBL, Germany) 18:30 – 20:00 Dinner at EMBL 20:00 – 22:00 Drinks at ATC Rooftop Lounge		
(Jan Ellenberg, EMBL, Germany & John Eriksson, ÅBO Akademi, Finland) 14:15 – 14:45 Keynote Speech - Global Research Infrastructures from an Australian perspective (Miles Apperley, ANSTO, Australia) 14:45 – 15:15 Keynote Speech - Building Research Infrastructures in Europe and beyond - State-of-the-art and lessons learnt from ELIXIR (Janet Thornton, EMBL-EBI, UK) 15:15 – 15:45 Keynote Speech - Case Study I: Open Science - Advanced Imaging Centre (Teng-Leong Chew, Janelia Research Campus of the HHMI, USA) 15:45 – 16:30 Coffee Break 16:30 – 17:00 Euro-Biolmaging Preparatory Phase II - Implementation of Open Access to Imaging in Europe (Jan Ellenberg, EMBL, Germany) Keynote Speech - France Biolmaging, from a network of Core Facilities to a National Distributed Infrastructure in Biolmaging (Jean Salamero, Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France) 17:30 – 18:00 Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-Biolmaging Node (Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic) 18:00 – 18:30 Global Biolmaging: the project and its goals (Antje Keppler, EMBL, Germany) Dinner at EMBL	12:30 – 14:00	Registration
14:15 – 14:45 Keynote Speech - Global Research Infrastructures from an Australian perspective (Miles Apperley, ANSTO, Australia) Keynote Speech - Building Research Infrastructures in Europe and beyond - State-of-the-art and lessons learnt from ELIXIR (Janet Thornton, EMBL-EBI, UK) Keynote Speech - Case Study I: Open Science - Advanced Imaging Centre (Teng-Leong Chew, Janelia Research Campus of the HHMI, USA) Coffee Break 16:30 – 17:00 Euro-Biolmaging Preparatory Phase II - Implementation of Open Access to Imaging in Europe (Jan Ellenberg, EMBL, Germany) Keynote Speech - France Biolmaging, from a network of Core Facilities to a National Distributed Infrastructure in Biolmaging (Jean Salamero, Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France) Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-Biolmaging Node (Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic) Global Biolmaging: the project and its goals (Antje Keppler, EMBL, Germany) Dinner at EMBL	14:00 – 14:15	Welcome
perspective (<i>Miles Apperley, ANSTO, Australia</i>) 14:45 – 15:15 Keynote Speech - Building Research Infrastructures in Europe and beyond - State-of-the-art and lessons learnt from ELIXIR (<i>Janet Thornton, EMBL-EBI, UK</i>) 15:15 – 15:45 Keynote Speech - Case Study I: Open Science - Advanced Imaging Centre (<i>Teng-Leong Chew, Janelia Research Campus of the HHMI, USA</i>) 15:45 – 16:30 Coffee Break 16:30 – 17:00 Euro-Biolmaging Preparatory Phase II - Implementation of Open Access to Imaging in Europe (<i>Jan Ellenberg, EMBL, Germany</i>) 17:00 – 17:30 Keynote Speech - France Biolmaging, from a network of Core Facilities to a National Distributed Infrastructure in Biolmaging (<i>Jean Salamero, Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France</i>) 17:30 – 18:00 Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-Biolmaging Node (<i>Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic</i>) 18:00 – 18:30 Global Biolmaging: the project and its goals (<i>Antje Keppler, EMBL, Germany</i>) 18:30 – 20:00 <i>Dinner at EMBL</i>		(Jan Ellenberg, EMBL, Germany & John Eriksson, ÅBO Akademi, Finland)
14:45 – 15:15 Keynote Speech - Building Research Infrastructures in Europe and beyond - State-of-the-art and lessons learnt from ELIXIR (Janet Thornton, EMBL-EBI, UK) 15:15 – 15:45 Keynote Speech - Case Study I: Open Science - Advanced Imaging Centre (Teng-Leong Chew, Janelia Research Campus of the HHMI, USA) 15:45 – 16:30 Coffee Break 16:30 – 17:00 Euro-Biolmaging Preparatory Phase II - Implementation of Open Access to Imaging in Europe (Jan Ellenberg, EMBL, Germany) Keynote Speech - France Biolmaging, from a network of Core Facilities to a National Distributed Infrastructure in Biolmaging (Jean Salamero, Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France) 17:30 – 18:00 Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-Biolmaging Node (Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic) Global Biolmaging: the project and its goals (Antje Keppler, EMBL, Germany) 18:30 – 20:00 Dinner at EMBL	14:15 – 14:45	Keynote Speech - Global Research Infrastructures from an Australian
beyond - State-of-the-art and lessons learnt from ELIXIR (Janet Thornton, EMBL-EBI, UK) 15:15 – 15:45		perspective (Miles Apperley, ANSTO, Australia)
EMBL-EBI, UK) 15:15 – 15:45 Keynote Speech - Case Study I: Open Science - Advanced Imaging Centre (Teng-Leong Chew, Janelia Research Campus of the HHMI, USA) 15:45 – 16:30 Coffee Break 16:30 – 17:00 Euro-Biolmaging Preparatory Phase II - Implementation of Open Access to Imaging in Europe (Jan Ellenberg, EMBL, Germany) 17:00 – 17:30 Keynote Speech - France Biolmaging, from a network of Core Facilities to a National Distributed Infrastructure in Biolmaging (Jean Salamero, Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France) Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-Biolmaging Node (Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic) 18:00 – 18:30 Global Biolmaging: the project and its goals (Antje Keppler, EMBL, Germany) Dinner at EMBL	14:45 – 15:15	Keynote Speech - Building Research Infrastructures in Europe and
15:15 – 15:45 Keynote Speech - Case Study I: Open Science - Advanced Imaging Centre (Teng-Leong Chew, Janelia Research Campus of the HHMI, USA) 15:45 – 16:30 Coffee Break 16:30 – 17:00 Euro-Biolmaging Preparatory Phase II - Implementation of Open Access to Imaging in Europe (Jan Ellenberg, EMBL, Germany) Keynote Speech - France Biolmaging, from a network of Core Facilities to a National Distributed Infrastructure in Biolmaging (Jean Salamero, Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France) Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-Biolmaging Node (Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic) 18:00 – 18:30 Global Biolmaging: the project and its goals (Antje Keppler, EMBL, Germany) Dinner at EMBL		beyond - State-of-the-art and lessons learnt from ELIXIR (Janet Thornton,
(Teng-Leong Chew, Janelia Research Campus of the HHMI, USA) 15:45 – 16:30		EMBL-EBI, UK)
 15:45 – 16:30	15:15 – 15:45	Keynote Speech - Case Study I: Open Science - Advanced Imaging Centre
16:30 – 17:00 Euro-Biolmaging Preparatory Phase II - Implementation of Open Access to Imaging in Europe (Jan Ellenberg, EMBL, Germany) 17:00 – 17:30 Keynote Speech - France Biolmaging, from a network of Core Facilities to a National Distributed Infrastructure in Biolmaging (Jean Salamero, Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France) 17:30 – 18:00 Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-Biolmaging Node (Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic) 18:00 – 18:30 Global Biolmaging: the project and its goals (Antje Keppler, EMBL, Germany) 18:30 – 20:00 Dinner at EMBL		(Teng-Leong Chew, Janelia Research Campus of the HHMI, USA)
Imaging in Europe (Jan Ellenberg, EMBL, Germany) 17:00 – 17:30 Keynote Speech - France Biolmaging, from a network of Core Facilities to a National Distributed Infrastructure in Biolmaging (Jean Salamero, Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France) 17:30 – 18:00 Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-Biolmaging Node (Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic) 18:00 – 18:30 Global Biolmaging: the project and its goals (Antje Keppler, EMBL, Germany) 18:30 – 20:00 Dinner at EMBL	15:45 – 16:30	Coffee Break
17:00 – 17:30 Keynote Speech - France Biolmaging, from a network of Core Facilities to a National Distributed Infrastructure in Biolmaging (Jean Salamero, Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France) Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-Biolmaging Node (Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic) Slobal Biolmaging: the project and its goals (Antje Keppler, EMBL, Germany) Dinner at EMBL	16:30 - 17:00	Euro-Biolmaging Preparatory Phase II - Implementation of Open Access to
a National Distributed Infrastructure in BioImaging (Jean Salamero, Coordinator of the INBS France BioImaging, Institut Curie, Paris, France) 17:30 – 18:00 Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-BioImaging Node (Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic) 18:00 – 18:30 Global BioImaging: the project and its goals (Antje Keppler, EMBL, Germany) 18:30 – 20:00 Dinner at EMBL		Imaging in Europe (Jan Ellenberg, EMBL, Germany)
Coordinator of the INBS France Biolmaging, Institut Curie, Paris, France) 17:30 – 18:00	17:00 – 17:30	Keynote Speech - France Biolmaging, from a network of Core Facilities to
17:30 – 18:00 Keynote Speech - Case Study II: The Czech Republic - From community building to participation as Euro-BioImaging Node (<i>Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic</i>) 18:00 – 18:30 Global BioImaging: the project and its goals (<i>Antje Keppler, EMBL, Germany</i>) 18:30 – 20:00 <i>Dinner at EMBL</i>		a National Distributed Infrastructure in Biolmaging (Jean Salamero,
building to participation as Euro-BioImaging Node (<i>Pavel Hozak, Institute of Molecular Genetics Prague, Czech Republic</i>) 18:00 – 18:30 Global BioImaging: the project and its goals (<i>Antje Keppler, EMBL, Germany</i>) 18:30 – 20:00 <i>Dinner at EMBL</i>		Coordinator of the INBS France BioImaging, Institut Curie, Paris, France)
of Molecular Genetics Prague, Czech Republic) 18:00 – 18:30 Global BioImaging: the project and its goals (Antje Keppler, EMBL, Germany) 18:30 – 20:00 Dinner at EMBL	17:30 – 18:00	Keynote Speech - Case Study II: The Czech Republic - From community
18:00 – 18:30 Global BioImaging: the project and its goals (<i>Antje Keppler, EMBL, Germany</i>) 18:30 – 20:00 <i>Dinner at EMBL</i>		building to participation as Euro-Biolmaging Node (Pavel Hozak, Institute
Germany) 18:30 – 20:00 Dinner at EMBL		of Molecular Genetics Prague, Czech Republic)
18:30 – 20:00	18:00 – 18:30	Global BioImaging: the project and its goals (Antje Keppler, EMBL,
		Germany)
20:00 – 22:00 Drinks at ATC Rooftop Lounge	18:30 – 20:00	Dinner at EMBL
	20:00 – 22:00	Drinks at ATC Rooftop Lounge

Thursday, June 9th 2016

09:30 - 09:45	Introductory session: Objectives of the upcoming activities
	(John Eriksson)
09:45 – 12:30	Break-out Sessions
	Session I (Courtyard Room)
	Training for Imaging Facility Staff (Chair: Rainer Pepperkok)
	 Benchmarking existing training courses for Imaging Facility Staff at international level
	Building a virtual platform for training material
	 Gathering expectations on the GBI courses for Imaging Facility Staff
	Session II (ATC Seminar Room A - Helix)
	Image Data Management (Chair: Jason Swedlow)
	 State-of-the-art of available tools for analysis and image data
	processing across biological and biomedical imaging
	 Mapping of needs for a common virtual repository of software tools
12:30 - 13:30	Light Lunch
13:30 - 14:45	Summary of Break-out Sessions (Chairs: Jan Ellenberg, John Eriksson)
	How to build global access, image data and training services in imaging
	research infrastructures?
14:45 – 15:15	Coffee Break
15:15 – 16:15	Panel Discussion (Moderator: Antje Keppler)
	Learning the experiences and expectations from international GBI
	partners
16:15 – 16:30	Closing Session – Summary and next steps (Antje Keppler)
16:30 – 17:30	Satellite Event - EuBI Industry Board meets Representatives of EuBI
	Node Candidates

Friday, June 10th 2016 – Upon invitation

The morning session is addressed to the Beneficiaries to the H2020 Grant, the partner countries and associate partner countries and it has the aim of planning in detail the upcoming activities for the Global BioImaging project, with particular reference to its deliverables and milestones.

The afternoon session is reserved for the Representatives of the Euro-Biolmaging Node Candidates and aims at discussing the basis of EuBI infrastructure operation.

09:30 - 09:45	Introductory session: Objectives of the upcoming activities (Jan Ellenberg)
09:45 – 10:45	Parallel Work Package Meetings
	Session I: Training for Core Facility Staff
	(Chair: Rainer Pepperkok)
	Session II: Image Data Management and Analysis
	(Chair: Jason Swedlow)
10:45 – 11:15	WP5: Exchange of People – Shadowing Program for Facility Staff
11:15 – 12:30	Summary of Parallel Sessions and Closing Remarks
	(Chair: Antje Keppler)
12:30 - 13:30	Light Lunch

13:30 - 18:30	Representatives of Node Candidates (upon Invitation): Separate Agenda	
15.50 10.50	nepresentatives of mode candidates (apon invitation). Separate rigeria	ı
