

Global BioImaging Virtual Training Platform - New Module Submission

Use this form to submit a module for inclusion in the [Global BioImaging Virtual Training Platform](#).

Privacy statement:

The personal data submitted through this form will be used solely for the purpose of viewing and publishing modules on the Global BioImaging Virtual Training Platform. The platform was developed by [Global BioImaging](#), a project coordinated by [European Molecular Biology Laboratory \(EMBL\)](#). The submitted data will be handled in accordance with the [EMBL Data Protection Policy](#).

The data will be used only for the purposes specified above and will not be shared with third parties or used for any other purposes.

By submitting this form, you consent to the processing of your data for these purposes.

* Indicates required question

1. Email *

Personal information

2. First name *

Please use the name you are most frequently referred to as.

3. Last name *

Please use your last name or the name shared by your family.

4. Email address (confirmation) *

To prevent unintended errors, please provide your email address again.

5. Please provide the full name of your institution (institute/university). *

Please provide the name of your institute and/or university. In case you have several affiliations, please provide the name of the institution where you spend majority of your time.

Please **do not** use abbreviations.

6. In which country are you and your imaging facility or laboratory located? *

Please indicate the country where you and your imaging facility or laboratory are located. The options are listed alphabetically.

Module content

7. Please choose a category. *

 Dropdown

Mark only one oval.

- ☐ Core Facility Operations
- ☐ Reporting & Reproducibility in Microscopy
- ☐ FAIR Data Principles
- ☐ Image Analysis & Visualization
- ☐ Image Repositories & Data Management
- ☐ Light Microscopy Technologies
- ☐ Light Microscope Operation
- ☐ Curated Courses & Workshops
- ☐ Available Training Resources
- ☐ Suggest New Category

8. If you selected "Suggest New Category", please provide your suggested category here.

9. Who is the intended audience for this module? *

Mark only one oval.

- ☐ User (Researcher)
- ☐ Staff (Imaging Core Facility Staff)
- ☐ Both User & Staff
- ☐ Not sure

10. What is the difficulty level of the module? *

Mark only one oval.

- ☐ Beginner (intended for audiences with little or no prior knowledge)
- ☐ Intermediate (intended for audiences with some prior knowledge)
- ☐ Advanced (intended for audiences with substantial prior knowledge)
- ☐ Not sure

11. Module title *

Provide a concise and descriptive title for your module.

12. Module overview *

Provide a brief overview of your module that introduces the topic and summarizes what learners can expect (2–4 sentences).

13. Will your module include video resources? *

Please indicate whether your module will include video resources.

Mark only one oval.

- ☐ Yes
- ☐ No

14. Video resources

Provide the web links (URLs) to all publicly accessible video resources that should be included in the module.

15. Will your module include PDF resources? *

Please indicate whether your module will include PDF documents.

Mark only one oval.

☐ Yes

☐ No

16. External PDF resources

Provide the web links (URLs) for PDF documents hosted on external websites that should be included in the module.

17. For PDF resources to be hosted on the Virtual Training Platform, upload any relevant PDF documents here, if applicable.

Maximum file size: 10 MB

Files submitted:

18. Other than video and PDF resources, will your module include links to externally ^{*} hosted resources?

Please indicate whether your module will include web links (URLs) to externally hosted resources other than videos and PDF documents.

Mark only one oval.

☐ Yes

☐ No

19. External web link (URLs) resources

Provide web links (URLs) to external resources, excluding video and PDF resources, that should be included in the module.

20. Prerequisite reading materials

Indicate whether learners should complete any reading materials before starting the module.

21. Further reading materials

Indicate whether you would like to include additional reading materials for learners who want to explore the topic further.

22. Module contributors

Provide the names and affiliations of other contributors to the module, besides yourself, if applicable.

Submission confirmation

Please ensure that all questions have been answered and ready for submission.

23. Is your module submission complete? *

Tick all that apply.

☐ Yes, the module submission form is complete and ready for submission.
